

Congratulations

Laurie Wetterschneider

Women's Foundation of Southern Arizona's 2016 Luncheon Honoree

The Women's Foundation Board of Trustees selected Laurie because she embodies leadership and philanthropy. This honor is in recognition of Laurie's career achievements in radio, the nonprofit sector, and jewelry design; her community involvement as a leader on dozens of boards of directors; and her commitment to women and girls through her leadership with the Women's Foundation and many other organizations. She is a mentor and champion for so many young women (and men) in our community.

Known as the biggest charitable luncheon event in Tucson, the 23rd annual event will take place at the Tucson Convention Center on April 20, 2016. Proceeds raised at the Luncheon support critical Women's Foundation programs, expanding cutting-edge grantmaking for women and girls, growing award-winning programs like Unidas, organizing advocacy efforts and commissioning research projects.

WOMEN'S
FOUNDATION
of Southern Arizona

Create change. Invest in women.
