To Bead or Not to Bead

Tucsonan Laurie Wetterschneider and her sister Lisa Peterson have combined their business savvy and creativity into a venture called Laurie and Lisa Designs a new line of jewelry. Their creations include beaded necklaces, bracelets and earrings made of semi precious stones, silver and gold vermeil. Their designs include the large coral rondelle necklace and matching earrings with silver beads which retails for \$550.00, and the blue chalcedony with silver beads and clasp for \$450.00. Both necklaces can be worn from day to night for every occasion.
