

LAURIE AND LISA DESIGNS, LLC

As children, sisters Laurie Wetterschneider and Lisa Peterson enjoyed making jewelry together. Back then, Fruit Loops and elbow macaroni were their "gems" of choice. Today, they prefer to work with pearls, coral, turquoise, onyx, Murano glass, Russian amber and a variety of semi-precious stones.

Each one-of-a-kind piece is designed and crafted by hand by either Laurie or Lisa using only the finest materials and high quality gemstones, many of which are purchased abroad or right here at Tucson's renowned Gem Show. Their designs are sophisticated and classic and can be worn during the day and into the evening. Laurie and Lisa Designs are never trendy; they are timeless pieces designed for a lifetime of enjoyment. This stylish, affordable jewelry is perfect for the woman who takes delight in achieving her own personal style.

Laurie and Lisa have created several distinctive lines of jewelry including, a shell pearl line that's perfect for brides and bridal parties, as well as the woman who wants that timeless bracelet, necklace and earrings; a sterling silver, coral, and turquoise line in the tradition of Native American jewelry only much more contemporary; a line with Italian Murano glass pendants; and a line which features silver or gold vermeil and a variety of semi-precious stones such as topaz, citrine, amethyst, and tourmaline.

The sisters also understand their clients' desire for unique, handmade jewelry made especially for them, and will happily work with you to create custom pieces. Whether it's a custom piece that truly expresses who you are or, if you're a man, a special gift for the woman in your life, Laurie and Lisa will help bring your ideas to life.

Both Laurie and Lisa are involved in charitable work and donate many of their creations to local organizations in both of their communities, such as the American Heart Association, Boys & Girls Clubs (Tucson and Monterey, CA), Angel Charity for Children, Inc., Sunstone Cancer Support Center, Tu Nidito, Primavera Foundation, The Humane Society, and The Tucson Symphony, among others. In addition, Laurie and Lisa have been nominated by The National Association of Women Business Owners for Tucson Business Woman Owner of The Year Award.
